Your company has **6** month(s) to place end-of-life orders for the listed product(s). All deliveries must be scheduled for shipment within the next **12** months. To assure that your product needs are met during the end-of-life period, some date codes may be more than 6 month(s) from the ship date. We would like to caution you not to wait until the last moment to place your final order. If you anticipate a need over and above your normal run rate, whether it be placed now or near the end of the lifetime buy cycle, please provide your Fairchild sales representative with a forecast to ensure the full availability of the product. Our intent is to work with customers to meet existing obligations. However, we may not be able to guarantee delivery of requested quantities if we do not receive your lifetime buy order by this date.

**It is Fairchild Semiconductor's policy that orders for products on lifetime buy status are non-cancelable and non-returnable.**

Your final order for any product(s) on the list, can be as late as **2009/03/09** with a final shipment date of **2009/09/09**.

Fairchild Semiconductor procedures for discontinuing products contain the

same safeguards for sole source products as multi-source products.

We thank you for your attention in this matter. Should you have any questions, please do not hesitate to contact your Fairchild Semiconductor salesperson.

Sincerely,  
**Fairchild Semiconductor**
